WORK EXPERIENCE

Audit Assistant	Deloitte USI, Gurugram Sep 2023 – May 2024
- Audited performance data for 3 multinational accounts, ensuring 100% accuracy and alignment with global brand standards and reporting compliance. - Resolved 40+ data discrepancies through systematic validation, improving reporting efficiency by 25% and providing actionable insights for strategic decision-making. - Spearheaded stakeholder management across 5+ internal departments and senior leadership to deliver complex projects under tight deadlines. - Synthesised large-scale datasets into consistent, high-impact reports to support multi-channel institutional branding initiatives.	

INTERNSHIP

Brand Operations & Communications Intern	Chitkara International School, Chandigarh April – May 2025
- Developed Standard Operating Procedures (SOPs) for the flagship 'Change the Game' event, streamlining planning workflows. - Collaborated on strategic communication planning and campaign ideation, coordinating with 3+ internal departments to deliver creative assets for key school branding initiatives. - Managed vendor procurement and merchandise operations, securing quotations from 40+ suppliers and overseeing the design alignment for the custom mascot soft toy production. - Spearheaded the development of the institution's official Brand Identity Manual, codifying typography, colour theory, and tone of voice for all future marketing collateral.	

CERTIFICATIONS & PROJECTS

- Digital Marketing Certification (IIM Bangalore – SWAYAM) (Score: 74.4%) – Customer experience (CX), digital channels, analytics, and insight-driven decision making. - PwC Switzerland – Power BI Job Simulation – Built 4+ dashboards and reports to analyse performance data and support decision-making. - Bloomberg Client Service Simulation – Resolved client issues using structured problem-solving, prioritisation frameworks, and data tools. - L'Oréal Brandstorm 2025 – Conducted market research, developed product concepts, and proposed scalable brand-led solutions. - Lean Six Sigma Green Belt – Process improvement, operational efficiency, root cause analysis, and continuous improvement methodologies.
